Iran

Summary

I'm a Front-End web developer, SEO expert and the founder at
Ticnet. I try to increase my knowledge and expertise every day and
also try to do the project in the best quality. I work hard to apply my
core knowledge of Js combined with a keen interest in current and
emerging technologies to make an effective solution.

Experience

Ticnet
Owner
June 2019 - Present (1 year)
Iran, Mashhad

Ticnet is a free, professional, easy-to-use website that lets you design your
own website in a matter of minutes without the technical know-how.

Novinadmin
Website Management
September 2019 - January 2020 (5 months)
Iran, Mashhad

My main job at Novin Admin was managing several news and corporate
websites. Content production and SEO were also another part of my activities.
